# Company Profile

## Introduction

Al-Jeel Al-Thalith Contracting Company Ltd & Electricity Metering Establishment For Contracting are 100% Saudi collective company established in the year 1996 and is located in Al-Khobar, Saudi Arabia.

Both Companies are well represented in the Kingdom and has participated in some of the SEC and Saudi ARAMCO construction and services projects as well as other agencies. We are proud to say that "successful projects completion" has always received our highest priority.

Our relative success as a construction and services contractor has been due to our ability to maintain a stable and skilled workforce, including management and our ability to introduce the latest technology related to our work.

All of our projects coordinate closely in order to achieve a coordinated effort and therefore, can offer full-service within the stipulated time anywhere in the Kingdom.

## Services

We are providing comprehensive services in the fields of construction, operation & maintenance of Civil, Electrical, Mechanical, Communication and Transportation Sectors since 1996. This includes but is not limited to the following:

### Electrical Department

- Transmission Lines design & erection
- Distribution Lines
- Services Connections
- Cathodic Protection Systems
- Grounding system design, supply, installation, testing & commissioning
- Package & unit substations installation, testing and commissioning
- 13.8 kV Switchgears (EPC)
- Transformers installation, testing and commissioning.
- MV/LV cable laying, testing and Termination
- Installation, testing and commissioning of backup generators.
- Installation, testing and commissioning of UPS systems.
- Design, supply and installation of cable Trays and raceaways.
- Conceptual design, installation and Testing of HV, MV and LV protection relays.
- Old switchgear modification & retrofitting
- DC power supply system
- DC battery banks design, installation, testing and commissioning.

## Services

### Instrumentation & Control Department

- Fiber Optics and Structure Cabling
- Control Cabling
- Communication Equipment's
  - Low Density and Medium density Multiplexers
  - SDH
  - PABX System
  - Wireless Connection.
- Instrumentation, conceptual design, installation testing and commissioning
- Installation, testing & commissioning of:
  - RTUs / SCADA System
  - CCTV & Access Control Systems
  - Control & instrumentation cabinets, assembling & wiring.
- Old instrumentation and controls upgrading and retrofitting.
- Distribution Lines
- Services Connections
- Cathodic Protection Systems
- BMS (Building Management System)
- Fire Detection System.
- Industrial Gas Monitoring System installation, testing and commissioning.

## Services

### Mechanical Department

- HVAC Division
- Industrial Fabrication
- Pipelines (BS, GS, SS, PVC, HDPE, GRP, VCP, DI)
- Fencing
- Pumping Stations
- Sewerage lifting stations
- Fire Protection System

### Civil & Construction Department

- Building
- Land Development (Earth Moving)
- Road, Water & Sewage System
- Renovations
- Underground non-invasive surveying for buried utilities.
- Trenching
- PEB design and erection
- Switchgear rooms.
- Foundation pads.

### Transportation

- Aggregates
- Fuel
- Sweet & raw water.
- Molten Sulphur

# Health & Safety Policy

A young man wearing an orange hard hat and a high-visibility orange safety vest over a dark blue long-sleeved shirt is giving two thumbs up. He is standing in front of a complex metal scaffolding structure, likely at a construction or industrial site. The background is slightly blurred, emphasizing the worker.

## Health & Safety Policy

Al-Jeel Al-Thalith Contracting Company Limited believes that **NO JOB OR NO TASK IS MORE IMPORTANT THAN WORKER HEALTH AND SAFETY**. If a job represents a potential safety or health threat, every effort will be made to plan a safe way to do the task. Every procedure must be a safe procedure. Shortcuts in safe procedures by either foremen or workers will not be tolerated.

If a worker observes any unprotected job, which may pose a potential threat to their health or safety, he or she must inform management and management must take adequate precautions.

The Company's Management is responsible for ensuring that there is effective governance of health and safety matters through the provision of approved and appropriate organizational arrangements and policies that are effectively implemented in practice. This is exercised directly by the management itself in certain ways e.g., through the annual report, but also through the Employees Committee (EC) which has a specific remit in this respect. An employee member of the Board also attends the regular meetings of the Project Managers (PMS) when quarterly health and safety reports are considered, so as to informally observe that appropriate matters are being reported on, discussed and considered and, where appropriate, acted on.

Our futures are only built through our people. We aim to protect them.  
No Job or no task is more important than workers' health and safety.

The PMS are collectively responsible for considering recommendations, from professional advisers and others, for how the governance and management arrangements are effectively implemented and made operational and for giving/gaining approval to changes from time to time. Arrangements for overall health and safety management, policy development and auditing largely fall within the remit of the Executive Director – Human Resources.

## Health & Safety Policy

All heads of organizational operating units are personally responsible for implementation of approved health and safety policies and procedures within their areas of responsibility and for safe working practices. They have the support and professional advice of health and safety and professionals, and access to specialist internal and external advice where this is needed. Depending on particular. Health and safety coordinators also operate to support implementation within the company.

# Quality Assurance & Quality Control

## Quality Assurance & Quality Control

### Quality Assurance

Al-Jeel Al-Thalith Contracting Company Ltd. recognizes the requirement for Quality Assurance within all business areas in which it operates and has therefore committed itself to the establishment of an effective Quality Management System which can be implemented as required on any project, study or proposal it undertakes. The aim of the system is to ensure that client's objectives are met with minimum wastage, rework or concessions and thus achieving a reliable cost system of management.

Al-Jeel Al-Thalith Contracting Company Ltd. considers satisfying client requirements and achieving the prime project objectives as an essential quality issue. J.T. operates a total quality management system, fully supported by the management and staff. A commitment to quality is required from all employees and the "think quality" philosophy is encouraged in all aspects of J.T. operations.

To ensure the achievement of these objectives, J.T. has appointed a Quality Assurance Manager, who is responsible for the introduction, documentation, implementation and maintenance of the Quality System. The Quality Assurance Manager has a direct reporting link to the Managing Director on all Quality Matters in order to ensure independence.

J.T. Quality Assurance procedures and Quality Manual have been developed to meet the requirements of the International Standard Organization ISO 9002. Our policy statements have been developed in line with these standards.

### Quality Control

The Quality Control department is an integral part of the contractors overall organization, and the contractor's organizational chart should clearly define its place with in.

The Quality Control Officer reports directly to the project manager and coordinate the Quality Control function with the Project Superintendent on site. The Quality Control Officer will coordinate technicians and site engineers as required to assist in managing and administering the contractor's quality control program set forth in this document.

## Facilities

### Warehousing Facilities

There are two warehouses located in Dammam and Rafha consisting of open storage and covered storage area for storing materials and equipment's, which are required for work. These warehouses are controlled by storekeeper for material tracking and scheduling.

### Camps and Accommodation Facilities

The company operates and maintains its own labor camps and accommodation facilities in the following locations:

Camp	Location	Capacity
Al-Khobar Camp	Al-Khobar	57
Rafha Camp	Rafha	85

Automated testing of Power transformers	1
Weis -switchgear Analyzer (SA 100)	1
Weis -Relay Tester (RT 100)	1
BIT2 Battery Impedence test Equipment magger	1
Electric cable drum	10
Electric lifting crane (2 Ton)	2
Earth resistance tester Chauvin Arnoux C.A6472	1
Spanner all size	Lot

# Completed Projects

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
33005/06 Main Contract SEC-EOA	Electrical	356,842.39	26 <sup>th</sup> Nov 2005 to 24 <sup>th</sup> May 2006	Completed
Washing of 380KV Overhead Transmission Lines by climbing in the Eastern Operating Area. Ghunan-Ghazlan A&B Transmission Lines, Qurayah- Shedgum A&B, Ghazlan-Fadilih A&B and Ghazlan-Fadilih C&D				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
32003/44	Civil & Electrical	0.386 M	6 months	Completed
Construction and installation of street lighting system at Berri Power Plant as per scope of work.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract	Transportation	0.30 M	4 Year	Completed
E.A. JUFALI, Dammam Transportation of household supplies from Mina Store, Dammam to various location in Saudi Arabia.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
546/2 Amanatul Dammam Main Contract	Civil Works	1.376	1 year	Completed
Construction of hallow block perimeter fence around cemeteries for Qurayat, Al-Olayah, Al-Shait and Al-Redaifha Villages.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SCECO-South Sub-Contract (Private) NEC Saudi Arabia.	Communication	15,120 SAR	3 Months	Completed
Under NEC Saudi Arabia Ltd. Splicing & Testing of Single Mode (SM) Fiber Optics Pigtail connection for Juaymah DOC 48 cores and Rastanura 230 KV S/S # 8024 cores.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
546/2 Amanatul Dammam Main Contract Qurayat-Al-Olaiya	Civil & Electrical	1.99 M	1 year	Completed
Supply and Installation of street lights including cable trenching, laying, erection of poles, testing and commissioning, asphaltting of roadways, concreting of sidewalks and gutters.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SAUDI ARAMCO Contract # 6600007908 Sub-contract (Manpower & Equipment Supply To Nasser Manea Wabran)	Civil and Communication	1.8 M	6 months	Completed
Installation, testing and commissioning including excavation of cable trench, fiber optics cable laying, installation of optical pedestal, terra tape, backfilling, 4-4" diameter PVC duck bank concreting, splicing and cable terminations at pump station # 2. Underground copper cable installation for telecommunication and pedestal at pump station # 3 in Khurais.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract	Transportation	Unit rate	1 year	Completed
GULF STEEL COATING INDUSTRIES, DAMMAM. Transportation of steel from Jubail factory to various locations in Saudi Arabia & GCC.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
47275/00 SAUDI ARAMCO Sub-Contract	Civil & Electrical	0.243 M	1 Year	Completed
Cathodic protection & 13.8 KV overhead power lines for Shaybah Wells.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SH-N/004/19 SEC-SOUTH Sub-Contract	Civil, Electrical & Mechanical	1.40 M	1 year	Completed
Stringing, clipping & jumper of 102 Km, 33 KV 3Ph overhead HT line and 168 Km LT line and erection, testing and commissioning of 309 Nos. 100,200 and 500 KVA H-pole transformer in feeder noose. 1 & 2 in Al-Habil Area.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
84198/00 SEC-ERB Main Contract	Electrical	6.98 M	3 years	Completed
Expansion, reinforcement, maintenance of electrical network & provide power supply to the customers in Sakaka, Domat-Al-Jandal, Tabarjal, Qurayyat, Turaif, Awaiquila.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
152/4 Amanatul Dammam Main Contract Qurayat, Al-Olaiya	Civil	1.37 M	1 year	Completed
Construction of Hallow block fencing around the cemeteries of Qurayat, Al-Olaiya...				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
835064/84 SEC-ERB Main Contract	Electrical	0.976	4 months	Completed
Replacement of 36 Nos. outdoor focus lights at Gateef office complex. Works includes all Civil Works, installation of lighting fixtures and testing and commissioning				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
MODA SEC-ERB Sub-Contract	Fiber Optics	0.682 M	6 months	Completed
Fiber Optics cable splicing, testing and commissioning.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SHT/04/A/20 SEC-SOUTH Sub-Contract	Electrical	0.774	6 Months	Completed
Supply and installation of all electrical network 22 KV with SEC South Branch for Asir Villages.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
82569/00 SEC-EAST Main Contract.	Communication	0.85 M	8 Months	Completed
Fiber Optics splicing, testing and commissioning of 115 KV transmission line from Nariyah BSP to Nariyah S/S # 2. Nariyah BSP to Qaryat Al-Ulyah, Safaniyah to Khafji S/S # 3.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
85041/65 SEC-EAST Main Contract	Civil	46,699 SAR	2 Months	Completed
Repair and repainting of the control room of Salwa power plant flooring and repair and waterproofing of the control room roofing. Activities include polishing, smoothing of floor concrete surface with sealant/putty, scraping and filling roof cracks with sealant and polyurethane foam.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract.	Civil	2.6 M	2 years	Completed
Complete construction and finishing works including structural, finishing, painting, plumbing, electrical, carpentry, steel fabrication, interior decoration etc. on a turnkey basis for four villas located in Al-Khobar.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract.	Equipment Supply.	2.0 M	6 Months	Completed
SALIM W. AL-YAMI CO. & PART. Supply of heavy equipment and trucks with operators / drivers within the Eastern Region of Saudi Arabia on rental basis.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
85064/51 SEC-EAST Main Contract	Civil	61,900 SAR	3 Months	Completed
Modification of two toilet rooms in building No.16, SEC, Dammam. Activities include demolition, replacement of the existing walls and flooring with new ceramics tiles and glazed marbles, installation of corian solid, western closets water heaters, marble partitions, plumbing works, painting and restoration				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
83140/00 SEC-EAST Main Contract.	Civil & Electrical	0.832 M	2 years	Completed
Installation, testing, commissioning of 97 Nos. grounds, replacement of shield wire jumpers and replacement of 121 Nos. defective aerial warning lights on Khursaniyah-Nariyah -Qaisumah 230 KV transmission lines.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract.	Transportation	0.3 M	6 months	Completed
NASSIR MANEA WABRAN CO. & PART. Providing construction equipment, material and fuel transportation, flat and low bed tankers and trailers.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
72375/00 SAUDI ARAMCO Sub-Contract	Civil Equipment & Mechanical	1.12 M	1 year	Completed
Complete assembly, erection and conductor installation for the 50 structures of 34.5 KV DC transmission line. Supply and installation of portal cable risers, installation of sub-station equipment and the related tie-in overhead and underground substation modification works.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
82569/01 SEC-EAST Sub-Contract	Communication	0.1 M	3 Months	Completed
Splicing, testing, commissioning of OPGW on Berri Ghazalan 230 KV transmission line, approx. 4.1 km.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
400477/033 SAUDI ARAMCO Sub-Contract	Civil, Electrical and Mechanical	0.43 M	6 Months	Completed
Upgrade SASREF Metering Control Building in Jubail Industrial City. Activities include expansion and renovation, extension, construction, relocating, supplying, installation, disconnection, re-routing, caging, verifying, sealing etc.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
72375/00 SAUDI ARAMCO Sub-Contract	Civil Equipment & Manpower Supply	1.1 M	5 Months	Completed
Complete foundation works for 34.5 KV DC direct impeded steel poles transmission lines from Rabigh refinery to Rabigh community, approximately 24 km, including equipment and manpower supply.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Salim Al-Yami Main Contract	Transportation	0.46 M	1 year	Completed
Transportation services to Rabigh jobsite under SAUDI ARAMCO Contract # 723375/00 (Power supply to Rabigh Community).				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract	Civil & Manpow- er Supply	55,000 SAR	1 month	Completed
Mr. Ahmed Nassir Al-Wabran Renovation services for a private villa in Al-Khobar.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Private Main Contract.	Supply of Const. Equipment's	0.35 M	1 year	Completed
M/S Al-Salem Est. Supply of construction equipments at Dhahran Airport on rental basis.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
82792/00 SEC-EAST Sub-Contract	Civil & Electrical	1.37 M	1 year	Completed
Installation, testing, commissioning of approximately 800 Nos. steel tower grounding on Khursaniyah-Nariyah-Quisumah 230V transmission lines.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
30542158/00 SEC-ERB	Meter Reading	2.81 M	3 years	Completed
Meter reading and distribution of energy consumption invoice EOA.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
109/B—Main Contract Ministry of Municipality Affairs	Civil	2.99 M	3 years	Completed
Construction of Qaryatul Olaiya Municipality Building.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract	Aviation	1 Million	1 year	Completed
Supply, installation, Testing & Commissioning of Helipad Lighting System at Aramco Site in Manifa.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
956 Ministry of Finance	Electrical	4.8 M	1 year	Completed.
Completion of 13.8 KV overhead distribution line for provision of electricity to three fuel stations, housing facility of Ministry and airstrip situated at Batha border.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
10541048/00 SEC-EOA Main Contract	Civil & Electrical	18.71 M	3 years	Completed
Install, remove, replace and modify overhead distribution facilities for operating voltage up to and including 35 KV, Central Operating Area (including Riyadh City, Riyadh Rural Area, Qassim, Dawadmi, Kharj and Hail)				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Nil King Faisal University	Time & Attendance System	1.3 M	1 year	Completed
Installation of Time & Attendance System in different campuses of King Faisal University located in Dammam, Khafji, Nariya, Qatif, Hafr Al Batin and Jubail.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
DT-KFSH-E09 King Fahad Specialist Hospital, Dammam. (Sub Contract)	Electrical	4.0 M	1 year.	Completed
Up-gradation of HVAC Equipment at King Fahd Specialist Hospital, Dammam.				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
13/96 King Faisal University	Electrical	0.98 M	11 months	Completed
Replacement of Sub Stations from Building No.27 of the University.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
King Faisal University Teaching Hospital	Electrical	0.48 M	02 months	Completed
Supply & Installation of New Switchgear and dismantling of existing switchgear.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
King Fahd Specialist Hospital, Dammam	Electrical	0.248 M	01 month	Completed
Installation of Electrical Panels, Cables, Cables Trays and associated work.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract Al-Bilad Compound	Electrical	SR 33,000	02 weeks	Completed
Removal of existing transformers and installation, testing & commissioning of new transformers.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract National Water Company	Civil	0.22 M	01 month	Completed
H <sub>2</sub> S & LEL Gas Detectors Installation in NWC Plants (Riyadh & Heet)				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract U.S Embassy, Riyadh	Electrical	21,184 SAR	02 weeks	Completed
Supply of surge protectors to American Embassy.				

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub-Contract Saudi Electricity Company	Civil	0.575 M	3 months	Completed
Trenching job for CCTV installation at various SEC sites.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
732/51 Ministry of Education.	Construction	4.59 M	22 months	Completed
Construction of Abada Bin Al Samit Primary School in Hafr-ul-Batin.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
733/51 Ministry of Education	Construction	4.55 M	22 months	Completed
Construction of Al-Moghira Bin Shoba Secondary School in Hafr-ul-Batin.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub- Contract NESMA	Electro-Mechanical Works	1.7 M	02 months	Completed
Jeddah Storm Water Drainage Program – Jeddah				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract Al Noor Specialist Hospital, Mecca	Electrical & Control	11.0 M	01 year	Completed
Construction of Electrical & BMS Control works				

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
4400002909 SEC	Electrical	Unit Rate	3 years	Completed
Maintenance of UPS batteries and Chargers at various SEC sites.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
IBN SINAA SABIC 230KV POWER SUPPLY UP- GRADE	CABLE PULL- ING/LAYING	3.7 M	6 months	Completed
Cable pulling and Ibn Sinaa at Jubal.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
M A D I N A MANUWRA NEW INT. AIRPORT	CABLE PULL- ING/LAYING	4.3 M	4 months	Completed
Cable pulling and Madina Airport				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub- Contract NESMA	Electro- Mechanical Works	1.7 M	02 months	Completed
Nesma subcontract				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SASREF (SABIC)	REPLACEMENT OF MAIN POW- ER TRANSFORM- ERS	0.98	6 M	Completed
REPLACEMENT OF 133MVA POWER TRANSFORMERS 2 No. AND MODIFICATION OF PROTECTION SYSTEM				

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
WETICO	Electro Mechanical	0.8 M	6 months	completed
Installation of water pump				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
ACES	Installation of security system	0.65 M	6 Months	Completed
Installation of security system at STC offices in Kingdom				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
COMATAC	Installation of Switch gears.	0.25 M	3 months	Completed
Installation of Switch Gears , cabling pulling, at housing society Canary Villas				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SASREF (SABIC)	REPLACEMENT OF CABLES	0.6 M	2 M	Completed
Cable pulling and replacement of cable.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
SASREF (SABIC)	REPLACEMENT OF MAIN POWER TRANSFORMERS	0.98 M	8 M	Completed
REPLACEMENT OF 133MVA POWER TRANSFORMERS 4 No. AND MODIFICATION OF PROTECTION SYSTEM				

## Completed Projects

Contract No. & Client	Type of Contract	Value in SR	Duration	Status
30841036/00 SEC	Electrical	31.1 M	5 years	Completed
Contract for Overhead and Underground Distribution Networks up to 36 KV.				
Contract No. & Client	Type of Contract	Value in SR	Duration	Status
Sub Contract King Faisal University, Al Ahsa	Electrical	0.68 M	6 months	Completed
13.8KV Package Substations Replacement at King Faisal University, Al Ahsa

## NO JOB OR NO TASK IS MORE IMPORTANT THAN WORKER HEALTH AND SAFETY.

Our vision is to be the pre-eminent institution in the Kingdom of Saudi Arabia and achieve market recognition both in quality and delivery of service as well as the range of services offering.

We believe that no job or no task is more important than worker health and safety. If a job represents a potential safety or health

threat, every effort will be made to plan a safe way to do the task. Every procedure must be a safe procedure. Shortcuts in safe procedures by either foremen or workers will not be tolerated.
